

It is the policy of the Trustees of the Cass County Public Library to elicit input from library patrons and residents of Cass County.

A period of up to fifteen minutes for general comments from patrons and citizens shall be scheduled at the beginning of each Board Meeting. Individual patron or citizen comments shall be limited to three (3) minutes. Each speaker will complete a comment form which will include the speaker's name, address, telephone number, e-mail address, group affiliation (if any) and a brief description of the topic the speaker wishes to address. The Board President or presiding officer has the discretion to extend the time allotted for public comments.

Upon conclusion of the Public Comment portion of the agenda, unless requested by one of the Trustees present at the Board meeting, comments on specific agenda items will not be accepted from the audience.
