## CINDER

by **Marissa Meyer**

Cinder, a gifted mechanic, is a cyborg. She's a second-class citizen with a mysterious past, reviled by her stepmother and blamed for her stepsister's illness. But when her life becomes intertwined with the handsome Prince Kai's, she suddenly finds herself at the center of an intergalactic struggle, and a forbidden attraction. Caught between duty and freedom, loyalty and betrayal, she must uncover secrets about her past in order to protect her world's future.

## THE BLACK GOD'S DRUMS

by **P. Djèlí Clark**

Creeper, a scrappy young teen, is done living on the streets of New Orleans. Her sights are set on securing passage aboard a smuggler airship. Her ticket: earning Captain Ann-Marie's trust using a secret about a mysterious weapon called The Black God's Drums. But Creeper has another secret—Oya, the African orisha of the wind and storms, who speaks inside her head and grants her divine powers. And Oya has her own priorities concerning Creeper and Ann-Marie.

## AURORA RISING

by **Amie Kaufman and Jay Kristoff**

The year is 2380, and the graduating cadets of Aurora Academy are being assigned their first missions. Star pupil Tyler Jones is ready to recruit the squad of his dreams, but instead he's stuck with the dregs of the Academy. His real problem is Aurora Jie-Lin O'Malley, the girl he's just rescued from inter-dimensional space. Trapped in cryo-sleep for two centuries, Auri is a girl out of time and out of her depth. But she could be the catalyst that starts a war millions of years in the making.

## ALIENATED

by **Melissa Landers**

Two years ago, the aliens made contact. High school senior Cara Sweeney agrees to participate in Earth's first intergalactic high school exchange program. Humans and L'eihrs have nearly identical DNA, but cold, infuriatingly brilliant Aelyx couldn't seem more alien—and, somehow, she's fallen hard for him. But Aelyx has been hiding the truth and it could have deadly consequences.

## WARCROSS

by **Marie Lu**

Warcross isn't just a game. Struggling to make ends meet, teenage hacker Emika Chen works as a bounty hunter, tracking down players who bet on the game illegally. When Emika accidentally glitches herself into the International Warcross Championships, the creator of the game has a proposal. He needs a spy on the inside of this year's tournament. Soon her investigation uncovers a sinister plot, with major consequences for the entire Warcross empire.

## ILLUMINAE

by **Amie Kaufman and Jay Kristoff**

Kady thought breaking up with Ezra was the worst thing she'd ever been through. That was before her planet was invaded. A deadly plague has broken out and the warship fleet's AI, which should be protecting them, may actually be their biggest threat. Nobody in charge will say what's really going on, but Kady and Ezra must work together to get to the truth.

## REBOOT

by **Amy Tintera**

Five years ago, Wren Connolly was shot three times in the chest. After 178 minutes she came back as a Reboot: stronger, faster, able to heal, and less emotional. The longer Reboots are dead, the less human they are when they return. Wren is tasked with eliminating a hapless new recruit—she has never disobeyed before and knows if she does, she'll be eliminated, too. But she has also never felt as alive as she does around Callum. The perfect soldier is done taking orders.
