

Books 901-1000

NAME: _____

A grid of 12 columns and 10 rows of circles. The top-left circle contains the number '901'. The bottom-right circle contains the number '1000'. All other circles are empty.

Your brain is growing in leaps and bounds!

Building Literacy Tip:

Keep books accessible to continue building a love of reading. As your child's interests and abilities change, be flexible to trying new titles and formats!
